

The SMPSB Parents' Guide to Google Classroom

What is Google Classroom?

Google Classroom

Think of Google Classroom (GC) as your child's digital link to learning.

Teachers use GC to share assignments, homework, newsletters, and much more with students AND parents!

Getting Started

Your child was provided with a school-issued Chromebook.

- After powering on the Chromebook, you will be asked to provide your child's email address.
 - If you and your child do not have this information, it can be found in the Parent Command Center.
- Once you enter the email address, you will be asked for the password.
 - The password is a lowercase "s" followed by your child's student identification number.
 - The student identification number can also be found in the Parent Command Center.

**Google Classroom can be
accessed from all of your own
home devices as well.**

Connect Chromebook to WiFi

1. Click on the Quick Settings Panel on the bottom right of your screen. (this will open the Panel)

2. Click on "no-network."

3. Pick one of the networks on the list and enter a password if it calls for one. Make sure the connection is secure. At your home, choose your home WiFi network.

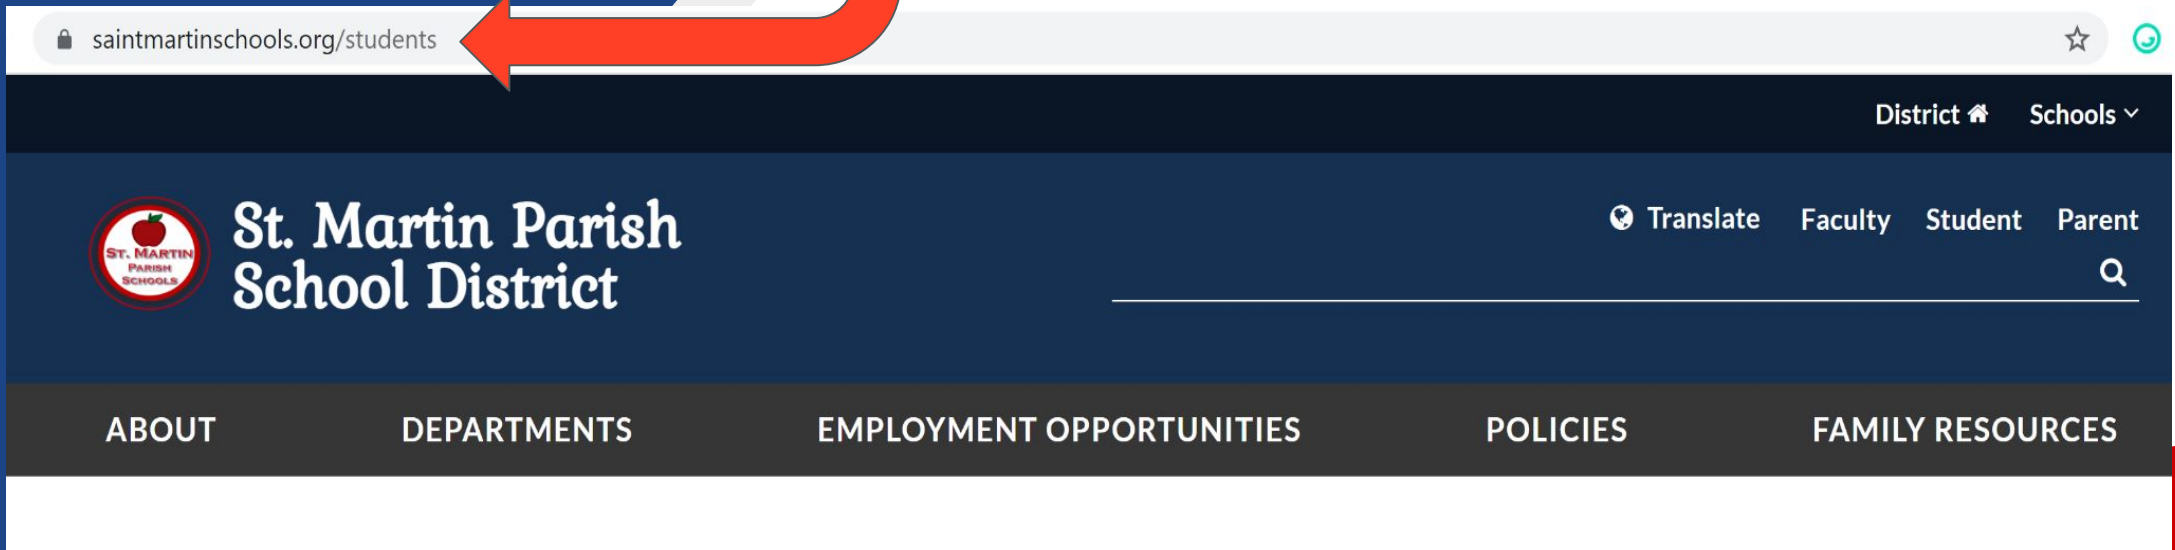

Getting Started

After logging into your Chromebook, click on the Google Chrome browser icon shown here on the left.

Getting Started

Enter your child's Google username and click on the "Next" button.

This information will be provided by your child's teacher.

The image shows a screenshot of a Google sign-in interface. At the top, it says "Sign in with Google". Below that, it says "Sign in to continue to clever.com". There is a text input field labeled "Email or phone" with a blue border. Inside this field, the text "Info Provided By Your Child's Teacher" is displayed. At the bottom left, there is a link that says "Create account". At the bottom right, there is a blue button labeled "Next". A large orange arrow points from the text "click on the 'Next' button" in the left panel to the "Next" button in the screenshot.

Getting Started

Verify that your name is displayed.

If correct, then enter your password.

***Remember:** Use the password provided by your child's teacher. The password is a lowercase "s" followed by your child's Student Identification (SID) number. The SID number can be found in the Parent Command Center.*

Once you enter your password, click Next.

The screenshot shows a Google login page. At the top is the Google logo. Below it, the text "Hi kevin" is displayed. Underneath is a dropdown menu showing a profile picture and the email address "kevin_dugas@saintmartinschools.org". Below the email is a password input field with the placeholder text "Enter your password". Inside the password field, the text "Use The Password Provided By Your Teacher" is entered. Below the password field is a checkbox labeled "Show password" which is checked. At the bottom left of the login area is a link that says "Forgot password?". At the bottom right is a blue button labeled "Next". Three orange arrows are overlaid on the image: one points from the text "Verify that your name is displayed." to the "Hi kevin" text; another points from "If correct, then enter your password." to the password input field; and a third points from "Once you enter your password, click Next." to the "Next" button.
